The *Location*

Located in the vibrant neighbourhood of St Pauls, we've chosen this area for its heritage and cultural significance, close proximity to the city centre and thriving community spirit. Just a stone's throw from Stokes Croft and Gloucester Road with its eclectic shops, eateries and independent businesses. On the lower ground floor of Brunswick Square you'll find two large production spaces. Designed with flexibility in mind, the spaces offer a blank canvas for any creative project. Ideal for photoshoots, filming, rehearsals, workshops and everything in between.

Pop in for a *cuppa*!

For more information or to book a tour of the space, feel free to get in touch with our Community Manager.
